

# Let us take care of your dream...

Congratulations! A Wedding announcement is one of the most exciting events in a couple's life together. Our promise is to make your dreams come true with a memorable stay, great service and a unique experience that you will only find at the Holiday Inn & Suites Windsor. We will be delighted to assist you with all your accommodation and catering details.

The culinary team at Grill 55 perfects the little details that make up your big day! They will make your vision for an ideal ceremony and wedding reception come to life. Our newly renovated Ambassador Ballroom can host up to 250 guests. We would be happy to assist you with other events leading up to and following your special day including Wedding Showers, Rehearsal Parties or Gift Opening Brunches.

For more information or to secure space please contact Susan Holden.
